ABOUT ME

I am a Front-End Developer currently training at Saylani Mass IT Training (SMIT) while actively building towards becoming a Full-Stack Developer. Passionate about creating responsive, modern web experiences, I specialize in HTML5, CSS3, Bootstrap 5, and JavaScript. I am constantly learning, writing clean code, and seeking internship or entry-level opportunities to solve real-world problems in a collaborative team environment.

SKILLS

- HTML5
- CSS 3
- Bootstrap 5
- JavaScript (ES6 Basics)
- Responsive Web Design
- Git & GitHub
